SAN DIEGO -- Volunteers and contributors are being recruited for a community cleanup and renovation project Saturday in Sherman Heights.

The project, coordinated by a group called Rebuilding Together San Diego, will involve painting homes and storefronts, landscaping, litter pickup and graffiti removal on Imperial Avenue from 22nd to 25th streets. The work is scheduled from 8 a.m. to 3 p.m.

The Imperial Avenue Commercial District Revitalization is backed by San Diego Councilman Ben Hueso, an ironworkers union and several large and small businesses.

Volunteers are asked to register online at www.rebuildingtogethersd.org or by calling (619) 231-7873. Information on financial donations is on the Web site.

Rebuilding Together officials say the group has spearheaded \$6 million worth of renovations in San Diego County since 1996.
